## The Village at

VIA CHRISTE  
ASSISTED LIVING COMMUNITY

*A community within a community dedicated to caring for people with Alzheimer's and other memory loss diseases.*

Via Christe offers the Village at Via Christe a state-of-the-art memory loss community providing a safe, secured environment for those people suffering from Alzheimer's disease and other dementias.

Staff will work closely with residents, family members, and physicians to develop a personalized plan of care. In keeping with the Via Christe philosophy that a busy day and involved person is a happy person, Via Christe offers constant and appropriate activities developed exclusively for residents with Alzheimer's or other dementia-related conditions.

Via Christe also offers assistance to families whose loved ones are suffering from Alzheimer's disease through a support group and meaningful programs.
